

# CHRISTMAS BROOK FIGURE SKATING CLUB

## JUNIOR FREESTYLE SKATER AGREEMENT

### BASIC BEHAVIOR

- Please be kind and respect the rights of others
- Please respect the arena's property and the property of others.

### GENERAL RULES OF FREE SKATING SESSIONS

- Skaters must sign in with the rink monitor
- No containers or food are allowed on the ice. Drinks are allowed on or below the railing
- Parents & skaters should not loiter at the rail or benches
- Benches by the ice are to be used by skaters and coaches only

### ON ICE ETIQUETTE AND AWARENESS

It is important for everyone's safety that all skaters stay aware of other skaters on the ice. Try to anticipate their patterns as you decide your own pattern.

1. Please be extra careful to stay aware of other skaters and to look ahead of where you are skating to see what others are doing or are about to do.
2. Remember to look both ways before leaving the railing or skating across the ice.
3. Keep moving while on the ice - it is dangerous for both you and other skaters to stand still during a session.
4. It is especially important not to stop in the middle of the ice or any of the jumping corners.
5. The skater doing a routine to music MUST wear a pinny.
6. The skater with the pinny has the right of way meaning all other skaters will make every effort to move out of the way.

  
  
  
  
  

### MUSIC

- Program music will be played on a rotational basis in order of request.
- Skaters in a lesson take precedence and can bump others.
- After a skater's music has been played, their music or another program may be put at the end of the line to re-enter the rotation.
- After three times, in or out of a lesson, a skater's music will go to the end of the line.

### PROHIBITED BEHAVIOR

- Kicking, digging holes, scraping or stomping the ice with your blades and kicking the railings are prohibited
- Deliberately challenging, scaring or intentionally blocking another skater is prohibited
- Use of headphones or rule books on the ice.

CBFSC coaches, board members and/or rink monitors have the authority to enforce ice rules to maintain the safety of all skaters.
